Paper Tiger Document Solutions is a AAA Certified member of the National Association for Information Destruction (NAID). NAID is the international trade association for companies providing information destruction services. Being certified by NAID ensures that written policies and procedures are in place, employment verification is being enforced and quality control is being checked for complete security of processes, technicians and facilities. Every year auditors for NAID examine every aspect of our shredding process, from in-house equipment and containers to our mobile shredders. This process includes authorizing NAID's auditors to pull over our vehicles at any time for a surprise audit.

If you have any questions about this certificate,  
or the service we provided, please call or email
