

## CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES CHICAGO

### PUBLIC ADVISORY NO. 24-2021

#### **ADVISORY ON THE NEW PASSPORT APPOINTMENT SYSTEM**

Starting **15 July 2021**, the Philippine Consulate General in Chicago will shift to the Department of Foreign Affairs' DFA's *Global Online Appointment System (GOAS)* for passport application appointments.

The GOAS enables passport applicants to choose from available appointment dates through an online calendar. It may be accessed using the following link:

<https://www.passport.gov.ph/>

Please note that, due to the high volume of applications, passport appointments for the months of July and August 2021 are already fully-booked. The appointment slots that will be available during the launch of the GOAS on 15 July 2021 will be for the month of September 2021. For inquiries regarding the GOAS, please email us at [chicagopcg.passportappointments@gmail.com](mailto:chicagopcg.passportappointments@gmail.com).

The Consulate reiterates that holders of expiring Philippine passports (*not expired*) may opt to apply for validity extension for one (1) year, particularly those with urgent need to travel (*not for leisure*) or to renew work/residency permits, through email address [chicagopcg.passport@gmail.com](mailto:chicagopcg.passport@gmail.com). Alternatively, said passport holders may request an earlier passport renewal appointment and attach a proof of urgency through the same email account.
