& Foreign Nationals*

COORDINATING WITH LGU

15. Upon clearance, **avail of authorized transportation** to your final destination. **Do not loiter around and expose yourself to possible source of transmission.** Your delay in reporting to your LGU can be a **ground for imposition of another 14 days quarantine.** Always observe health protocols during your travel.

16. Upon arrival in your locality, report to your **Barangay officials** for accounting and instructions. Your LGU has been informed earlier about your arrival through a DILG mechanism.

17. Complete home quarantine at your Barangay to complete the **required 14 days quarantine** or as your LGU instructs.

18. Once released from quarantine by LGU, **continue observing minimum health standards like wearing of face mask, maintaining physical distance and washing of hands.**
