

CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES CHICAGO

NOTICE TO THE PUBLIC 12-19

Use of Red Satin Ribbon in Consularized Documents

The Philippine Consulate General in Chicago informs the public that beginning June 15, 2019, it will ***no longer affix*** a red satin ribbon to documents (e.g., jurat and acknowledgment certificates, authentication, certifications) that are brought to the Philippine Consulate for consularization.

Though the familiar "*red ribbon*" is no more, documents will continue to bear, however, the Philippine Consulate's Gold (dry) and Blue (stamped) official seals.
