

## NOTICE OF 2<sup>nd</sup> MEETING

### “2<sup>nd</sup> PASKUHAN SA CHICAGO 2019”

The Yuletide Season is the most festive and the most popular celebration observed by the entire Christendom. It is a time of good cheer, sharing with family and loved ones, and giving more than receiving.

As follow-up to our successful “1<sup>st</sup> Paskuhan sa Chicago” held last December 15, 2018 at Seafood City, the Philippine Consulate General has again engaged with the Filipino community to make this year’s Filipino Christmas tradition and spirit come alive once again.

Thus, the first planning meeting for a community-wide “2<sup>nd</sup> Paskuhan sa Chicago” celebration was held on 17 August 2019 at the Elston Place Market Mix (Seafood City) and it was warmly attended by thirteen (13) Fil-Am organizations. The committees comprising the Organizing Committee and their coordinators have been identified.

For the Fil-Am organizations who missed the first planning meeting, your organization would still have another chance to join the Organizing Committee by attending the **2<sup>nd</sup> Planning Meeting** scheduled on **Saturday, 07 September 2019, 1-3 pm at the Elston Place Market Mix ( Seafood City)** located at 5033 North Elston Avenue, Chicago, Illinois 60630.

The 2<sup>nd</sup> Planning Meeting will finalize the composition of the Organizing Committee to enable it to move forward in its planning and preparations. Subsequent meetings of the Organizing Committee will be held twice a month starting September till December 2019.

The Consulate General looks forward to our community’s solidarity and support of this project as we continue to bring out the best of our values and heritage.

For confirmation of your attendance, kindly contact Mr. Noly C. Dulay, Cultural and Community Relations Officer of the Consulate General, at telephone number.
