Passport Processing Improves

The Department of Foreign Affairs (DFA) has announced that processing operations for the ePassport have significantly improved as previous technical concerns have been addressed.

The turnaround time for applications filed at the Philippine Consulate General in Chicago is now six (6) to eight (8) weeks, down from the previous twelve (12) weeks.

The DFA hopes to further reduce the turnaround time for ePassport applications in line with its goal of providing world-class consular services to Filipinos. END.
