

CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES CHICAGO

PRESS RELEASE No. 75-2019

CONSUL GENERAL CALLS ON KANSAS ATTORNEY GENERAL

Consul General Jamoralin with Kansas Attorney General Derek Schmidt

Chicago, 08 August 2019 – Consul General Gina A. Jamoralin met on Monday morning with Kansas Attorney General Derek Schmidt at the Memorial Building, Topeka, Kansas after a successful outreach service and official meetings in Wichita over the weekend.

The Consul General congratulated AG Schmidt on being elected to a third term in office last November and his accomplishments in protecting Kansas consumers and taxpayers and fighting crimes against children and the elderly.

She mentioned that Filipino-Americans numbering more than 10,000 strive to live up to their proud image as hardworking, law-abiding and significantly contributing to the diversity and progress of the Sunflower State. The Consulate General, operating from Chicago to serve around 350,000 Filipinos and Filipino-Americans in the Midwest, is more than happy to partner and work with local, state and federal agencies in promoting their welfare and rights under the law.

With the relatively new Filipino American Association in Greater Wichita (FAAGW) being a very active 501(c)(3) community organization that fosters cultural cooperation with the City of Wichita and other Asian-American communities and supports newly arrived Filipino immigrants, Consul General Jamoralin discussed with Attorney General Schmidt possible ways to guide and support them should they need some assistance.

Having forums on relevant issues, such as consumer fraud, human trafficking, domestic abuse as well as important developments in the statutory environment of Kansas she hoped could be the start of a fruitful community outreach and collaboration. **END**
