

## CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES CHICAGO

### MESSAGE

I am pleased to greet and congratulate the UP Phi Delta Alpha Sorority, US Chapter, on the occasion of its First Induction of Officers, Dinner Dance and Fundraising Event in Long Beach, California.

The Phi Delta Alpha Sorority is an important organization in the University of the Philippines. It trains its members to be good leaders of the nation, in the public as well as in the private sectors. Membership in it bestows leadership values, compassion in society and academic excellence in and out of the University. Among its ranks rise Supreme Court Justices, beauty queens and movers and shakers of the Philippines.

The US Chapter's founding is timely as the Philippines turns a new page in its political history. I will not be surprised if Sisters of Phi Delta Alpha will play an even greater role in the country in the years to come. It is part of their DNA to always be on the right side of history.

*Mabuhay ang UP Phi Delta Alpha Sorority! Mabuhay ang Unibersidad ng Pilipinas!  
Mabuhay ang Sambayanang Pilipino!*

  
GENEROSO D.G. CALONGE  
Consul General
